Student experiences, honest reviews and success stories :

"My institute experience has been amazing! The trainers are knowledgeable, and the campus is beautiful. "

Successfully placed in karol bagh, Delhi, with starting salary 32000/month

"The course was very detailed and covered everything from sketching to 3D modeling. The hands-on experience in the workshop was amazing !"

Successfully placed in Uttam Nagar, Delhi, with starting salary 28000/month

"Attended a 6-month jewellery workshop, and it was amazing! We got to create our own rings and earrings etc."

Successfully placed in Punjab, with starting salary 30500/month

"I took an online jewellery design course , and it was great for beginners! The videos were easy to follow, and I learned how to use CAD software for designing."

Successfully placed in Gurugram, with starting salary 32500/month

"cadcreation's jewellery design course was very informative! I liked the structured lessons, but I wish there was more personal feedback on my designs."

Successfully placed in karol bagh, Delhi, with starting salary 27000/month

"Great course with in-depth training on CAD modelling. However, the course was quite fast-paced, and if you don't have a design background, it can be tough to keep up."

Successfully placed in karol bagh, Delhi, with starting salary 35000/month
